Last updated: July 2026

Learn the essentials of with CoreCompliance

Benefits for your business

Compliance training made easy: Engaging courses, designed for effective compliance training without complexity

Full coverage: Immediate access to 150+ courses and assessments, including key topics like anti-money laundering, anti-bribery, data protection, health and safety, and preventing sexual harassment

Management dashboard: Assign courses, track progress, and generate reports with ease

Cost-effective: Simple, affordable compliance solution without a long-term commitment with prices starting at £349/year

“I love the portal, it means our employees are now forced to do training. It’s so efficient and makes my life a whole lot easier. I’m extremely happy with CoreCompliance by Skillcast”

- First Enterprise

CoreCompliance is the perfect solution for small businesses (up to 50 employees) seeking a quick and affordable way to provide compliance training to their staff. It is a ready-to-use e-learning portal with diagnostic assessments and course modules. Our CoreCompliance solution also has a dashboard to manage users and download reports.

Here are some of the 150+ courses included in this package. The actual courses included depend on the industry sector you choose for your subscription.
